Getting to Know Your Phone

For more information visit att.com/DeviceSupport
 For Quick Tips go to Menu<Settings> Quick Tips

AT&T Mobile TV

Tune in 24/7 for full-length, broadcast quality episodes of your favorite TV shows on the networks you love.

Watching Live TV

1. From the idle screen, press the **tv** key
2. An introduction video clip will play (for the first time)
3. Highlight the **Subscribe Now** option and press **Enter**
4. Review the base package and press the **Left Soft Key** to **Continue**
5. If you agree with the Terms and Conditions press the **Right Soft Key** to **Agree**
6. To confirm your subscription press the **Left Soft Key** to **Submit**
7. The Media Player will launch and press the **Right Soft Key** for the **Program Guide** or to change channels

CV

CV brings your phone to life. Watch news, sports, weather, and entertainment clips while on the go.

1. From the idle screen, press the **Left Soft Key** for **Menu** and select **TV & Video (1)**, then **Cellular Video (2)**
2. Once connected, select the program options you wish to view and press **Enter**
3. Select the clip you want to play and press **Enter**

Personalize your CV content:

1. From the CV home page, select **Customize CV**
2. Select **Edit My Favorites** and press **Enter**
3. Select the content you would like to appear on your CV Home screen and press **Enter**

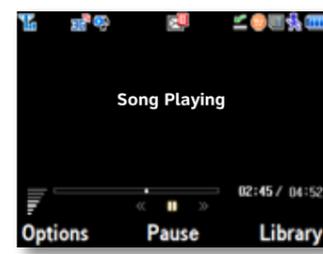

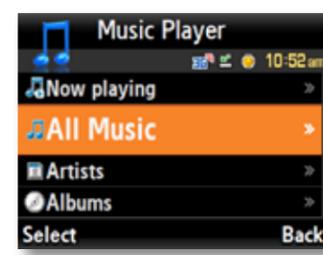

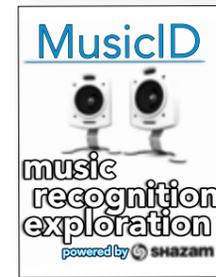

Note: Parental Controls available. See box insert for details. CV requires a Media™ Max plan.

AT&T Mobile Music

AT&T Mobile Music provides the ultimate music experience. Listen to your favorite music, watch the latest music videos, and stay in the know with music news and more.

1. From the idle screen, press the **Left Soft Key** for **Menu**, select **AT&T Music (6)**
 Now you are ready to:
 - 🎵 Transfer and listen to your music with the integrated **Music Player**
 - 🎵 Browse and select music from leading digital music stores with **Shop Music**
 - 🎵 Instantly ID the title and artist of a song with **MusicID**
 - 🎵 Enjoy dozens of commercial-free music stations with **XM Radio**
 - 🎵 Watch the latest music videos under **Music Video**
 - 🎵 Get the latest music news, charts, and concert info from **The Buzz**

Play Music

Listen to music from your favorite artists right on your phone. To listen to music that you have transferred to your phone, follow these quick and easy steps.

1. From the idle screen, press the **Left Soft Key** for **Menu**. Select **AT&T Music (6)**, then **Music Player (1)**
2. Select **Now Playing**, **All Music**, **Artists**, **Albums**, **Playlists**, **Genres**
3. Press **Enter** to play/pause. Press **Up** or **Down** on the **Navigation Key** to change the volume and the **Left** or **Right Navigation Keys** to go to the previous or next song

* microSD™ card and USB data cable sold separately: go to att.com/wireless
 ** Steps may vary depending on Windows Media Player version.

Transfer Music

Transfer music from leading digital music stores to your phone. It's Simple.

1. Insert the microSD™ card* into the slot on the right side of your phone
2. From the idle screen, press the **Left Soft Key** for **Menu**, select **Settings (9)**, then **Set Connectivity (7)**. Select USB mode, then Media Player
3. Launch Windows Media Player on your computer
4. Connect the USB cable to your computer and the phone
5. Once the USB cable is connected, the phone displays "Connected". The computer screen shows the a827
6. Check/drag** songs to be transferred, then click the **Start Sync** button

Warning! Do not disconnect phone while the transfer is in progress. **Requirement:** Windows Media® Player 10 or higher. Not compatible with Mac OS or iTunes.

Video Share

Share events the moment they happen. Video Share lets you stream live video directly to friends and family.

To make a Video Share Call

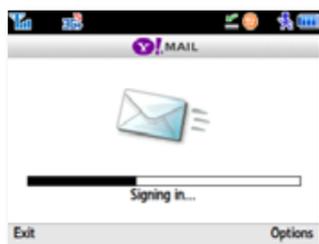

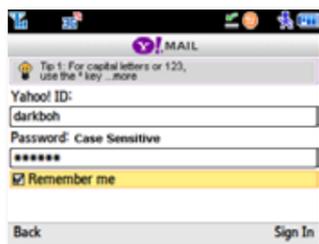

1. Dial the 10-digit number of another 3G Video Share capable device*
2. Once the call is answered, press the **Right Soft Key** for **Video Share** to initiate the Video Share session

To accept a Video Share Call

1. When receiving a Video Share call, the name or number of the person who wants to share video with you will appear on your screen
2. Select **Accept** and the Video Share session will begin automatically
3. To end a Video Share call and continue with the phone call, press the stop icon ■

*Video Share is not available in all markets. Both parties must be in a 3G service area – a 3G icon must appear by the signal bars prior to a call being placed, and both parties must remain in the 3G coverage area for the duration of the Video Share session.

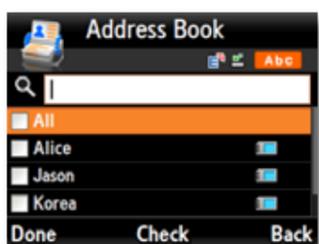

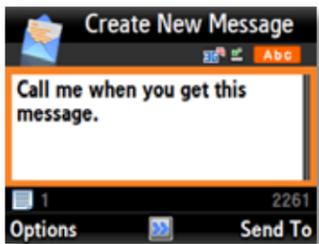

Mobile Email

Take your email with you. With Mobile Email, you can quickly and easily access your email if your account is with one of the following providers: Yahoo!®, AOL®/AIM, Windows Live™ Mail, or AT&T® Yahoo!

1. From the idle screen, press the **Left Soft Key** for **Menu**. Select **Messaging (2)**, then **Mobile Email (3)**
2. Scroll to the e-mail provider of your choice and press **Enter** (Note: you may also be prompted to select a domain name from that provider)
3. Type in your personal **Email** address (e.g., "silverfox2"), then enter your account's **Password** and press the **Right Soft Key** for **Sign In**
4. You will be connected to your account's Inbox and contacts, where you can send and receive emails

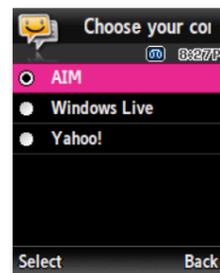

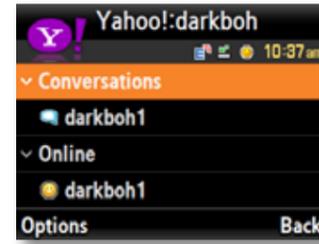

All providers may not be available on all devices. Yahoo! and the Yahoo! logo are trademarks and/or registered trademarks of Yahoo! Inc. AOL, America Online and the Triangle Logo are registered trademarks of America Online. Windows Live and the Windows logo are either registered trademarks or trademarks of Microsoft Corporation in the United States and/or other countries.

Text Messaging

When you need to communicate privately and quickly, use text messaging. You can text message to other wireless phones and email addresses.

1. From the idle screen, press **Up** on the **Navigation Key**
2. Type your message
3. Press the **Right Soft Key** for **Send to**
4. Enter the phone number of the person you wish to send your text message
5. Press the **Right Soft Key** for **Send**, to send your message

Instant Messaging

If you subscribe to an instant messaging service such as AIM®, Yahoo!® or Windows Live®, you can take the convenience and fun of instant messaging on the go with your wireless phone.

To choose your IM service:

1. From the idle screen, press **Right** on the **Navigation Key**
2. Highlight your IM community and press **Enter**
3. Press **Sign In (1)**. The first time you enter a community, enter your Screen Name/ID or Email and your Password
4. Check the **Auto Sign-In** box to be automatically connected in the future
5. Press the **Left Soft Key** to **Sign In/On**

To use IM:

1. Once signed on, you're ready to send instant messages to your buddy list already set up with your IM service

Note: When you receive an incoming instant message, a "new message" icon will appear on the screen.

MEdia™ Net

With MEdia™ Net, you can get the information that is important to you at a glance. Check local weather, your team scores or movie listings with just a few clicks.

1. From the idle screen, press and hold **Enter** to launch MEdia Net
2. Highlight the content you want to view and press **Enter**
 - Weather
 - News
 - Sports... and more!

Personalize your MEdia Net home screen:

1. From the MEdia Net home screen, scroll to "**Customize MEdia Net**" and press **Enter**
2. Select **Edit Categories** and press **Enter**
3. Highlight the categories you would like to appear on your MEdia Net home screen and press **Save**

Take a Picture

Capture those special moments right from your phone and send them to friends and family. It's easy.

Take a Picture

1. From the idle screen, press and hold the **Camera Key** on the right side of the handset
2. Press **Up** or **Down** on the **Navigation Key** for zoom, and **Right** and **Left** to adjust brightness. Press the **Left Soft Key** to adjust image resolution and select shooting mode, frames, effects, timer, or other options
3. Press **Enter** to take the photo

Send a Picture

4. Press the **Left Soft Key** for **Options**, select **Send (2)**, then **Via Message (1)**
5. Press the **Left Soft Key** for **Options**, select **Add Recipient (1)** then choose the phone number
6. Press the **Right Soft Key** for **Send To** to send the message with the photo attached

Multitasking

Multitask simultaneously with voice and data - browse the web, make calls, play games, send and receive messages, and listen to music. All at once.

1. If you're involved in one task and want to launch another, press the **Home** key (on the right side of the phone), select the task you want to launch and press **Enter**
2. To switch among multiple open tasks, just press the **Home** key to display the task icon bar on the bottom of the screen, press **Left** or **Right** on the **Navigation Key** to select another task icon, and press **Enter**
3. If you get a call while in another task (except playing music), you can accept the call, then return to the task while you're talking by pressing the **Home** key

Downloadable Fun

Whether you are into the latest hits or the classics, let your phone reflect your style with downloadable ring-tones and Answer Tones™. Or entertain yourself with cool tools and games.

To access the AT&T Mall

1. From the idle screen, press the **Left Soft Key** for **Menu**, then **AT&T Mall (5)**
2. Select **Shop Tones (1)**, **Shop Games (2)**, **Shop Graphics (3)**, **Shop Multimedia (4)**, **Shop Applications (5)** or **Shop Videos (6)** and press **Enter**
3. When your web connection is established, choose a category, and press **Enter**

To access cool tools and games on your device

1. From the idle screen, press **Left** on the **Navigation Key**
2. Scroll to **Games and Apps** and press **Enter**
3. Select the game or application you would like to launch and press **Enter**
4. Follow the step by step instructions

USB Cable

Car Power Charger

microSD™ Memory Card*

Leather Case

WEP500 Bluetooth Headset

Note: Pictures will automatically be saved in My Stuff (7) in the Graphics folder.
