 Subject: Individual Responsibility User Certification Form

INSTRUCTIONS:

In order to validate your employment (or active student status, as applicable) so that we may activate any service discount for which you may qualify under your organization's qualified business agreement with AT&T, please complete the following steps:

1. Fill out this Individual Responsibility User Certification form. Your **wireless telephone number** is the number someone will call to reach your wireless phone or device.
2. Obtain a photo copy of your current employment or student photo ID badge. If you do not have a current ID badge or are a U.S. Federal Government employee, please include a photo copy of a current pay stub instead. - *Please be sure to delete any confidential information such as Social Security Number, direct deposit bank account numbers and salary details.*
3. Fax this Certification Form together with the copy of your badge or pay stub to 1-800-940-6805 within thirty (30) days of service activation.

NOTE: You will not be affiliated with your organization's business agreement/account, and therefore will not receive any available service discount for which you could qualify, until AT&T receives a completed and conforming fax and photo copy.
