

Update Wireless User Information

You can change the name, address, and company-required information (user-defined labels) for your wireless account.

Change Information

1. On the Premier homepage, do one of the following:
 - Next to **Wireless user**, click **Change information**.
 - Under **Account Management**, click **Update Wireless User Information**.
The **Change wireless user details** page appears.
2. Under **Account Information** and **Company Required Information (User Defined Labels)**, update the information as needed, and then click **Continue**. The **Verify** page appears.
3. If the information is correct, click **Submit**. A confirmation page appears.

Save your request number for your records. We'll email you when your request has been processed.
