

Update Wireless User Information

You can change your name and address if you manage your wireless account.

Update your contact information

1. On the Premier homepage, under **Account Management**, click **View Information for a Wireless Number**. The Wireless User page appears.
2. Next to **Account Details**, click **Change information**. The **Change wireless user details** page appears.
3. Change the name and address as needed, and then click **Continue**. A verification page appears.
4. If the information is correct, click **Submit**.
