MOBILE SHARE VALUE PLANS FOR BUSINESS: These plans are retired. Customers with Mobile Share Value Plans for Business may add or cancel lines. However, customers seeking to make changes to their data allowances must choose a service from AT&T’s current wireless service offerings. Prices are for service only and include monthly plan charge & per device monthly access charge. Eligible: Available only to business customers with a qualified AT&T wireless service agreement and only for Corporate Responsibility User (“CRU”) lines of service. For full service terms and conditions, see applicable wireless service agreement, including without limitation the additional service-and equipment-related terms found at att.com/abs-addtl-terms (the “Business Agreement”). Devices: Sold separately. AT&T Next and Equipment Installment Plan installment charges and other device purchase costs are extra. Discounted Access Charge: Access charges for smartphone lines with no annual service agreement (AT&T NextSM or Equipment Installment Plan, bring your own, pay full price, or month-to-month) are discounted up to $25 per month when compared to smartphone lines with new 2-year service commitments. Discount is $15 or $25 per month per smartphone line based on your plan. Data Overage: If you exceed the amount of data in your plan or other allotments during your billing period, additional data automatically will be provided as specified in your plan terms. For select plans it is provided in increments of 300MB at $20 per 300MB on a 300MB plan, or 1GB at $15 per GB. Unless otherwise specified, data allowances, including overages and Rollover Data, must be used in the billing period provided or they will be forfeited. Data: Data for use in the United States, Puerto Rico and the U.S. Virgin Islands (the “Domestic Coverage Area” or “DCA”) only. Select plans also include data usage in Mexico. Additional or promotional data may not be available for use outside the DCA. Tethering and Mobile Hotspot use for up to five (5) simultaneous devices. Authorized users on the account may temporarily suspend data access for each device on the plan. Data access will be restored at the beginning of the next billing cycle. Monthly charges will continue to apply. Rollover Data: Unused data from the monthly plan allowance rounds up to the nearest MB and carries over for one billing period. Rollover Data automatically expires after one billing period or with any plan change (such as changing data amounts or termination). Rollover Data is used after your monthly plan allowance. Rollover Data is not redeemable for cash or credit and is not transferable. Device Limits: Up to 10, 25, 50 or 100 CRU devices, depending on selected plan. UNLIMITED TALK: For phones only includes unlimited calls within the DCA (select plans also include calls within Mexico). Service may be terminated for excessive roaming (see Business Agreement). Unlimited Talk to Canada and Mexico: included on select plans. For phones only includes unlimited International Long Distance (ILD) calling from the DCA to Mexico and Canada only. You may be charged for calls to special or premium service numbers. Calls to Other Countries: Select plans also allow calling from the DCA and/or Mexico to countries other than Canada and Mexico. Per minute pay-per-use rates apply unless an ILD service package is added to the line placing such calls. Rates subject to change without notice. For rates, see att.com/worldconnect. UNLIMITED TEXT: Standard Messaging – For phones only. Includes unlimited number of messages up to 1MB in size within and from the DCA (and for select plans within Mexico) to more than 190 countries for text messages and 120 countries for picture and video messages. AT&T may add, change, and remove included countries at its discretion without notice. Messages sent through applications may incur data or other charges. Visit att.com/text2work for details. Advanced Messaging – For customers with Advanced Messaging capable devices only. Both sender and recipient(s) must be AT&T postpaid wireless customers with HD Voice accounts, and both must have their devices turned on and be within AT&T’s owned and operated DCA only (third party coverage and use in Mexico are excluded). Includes unlimited number of messages up to 10MB in size. Additional restrict’s apply and can be found at att.com/advancedmessaging. Wireless Home Phone (“WHP”): is a wireless voice service (CMRS). Wireless Home Phone and Internet (“WHPI”): is a CMRS & mobile broadband Internet access service. Plan 10GB or higher required. WHP & WHPI General: Messaging excluded. For emergency calls, provide location to 911 operator. Devices have backup battery but landline equip. with separate power will not place/receive calls (including 911) during outage. Not compatible with landline dependent services like medical alert monitoring systems. Other compatibility limitations apply. For WHP details visit att.com/getwirelesshomephone and att.com/getwirelessphone for WHPI details. Connected Wearables: Is a wireless phone designed to be worn that is capable of making/receiving calls without being connected to another wireless device. For a list of devices visit att.com/wearableslist. Connected Devices: includes eligible connected vehicles, cases, and other select devices. Mexico Service Restrictions: Pay-per-use roaming rates will apply on these devices. Business Agreement Discounts: Any CRU service discount described in the Business Agreement is available only for select plans and applies only to the monthly plan charge, not to monthly device access charges. See att.com/attmobileshare or a store representative for more plan details.

GENERAL WIRELESS SERVICE TERMS: Subject to Business Agreement. Service is not for resale. If AT&T determines your use of the services violates any of the applicable terms or policies found in the Business Agreement, we may in our sole discretion suspend, modify, terminate or restrict your service. Excessive Off-Net Usage: You get an off-net (roaming) usage allowance for each service. If you exceed the allowance, your service(s) may be restricted or terminated. Other restrictions apply and may result in service termination. If you purchased a device that requires a term commitment, an Early Termination/Cancellation Fee applies if you cancel CRU service after the first 30 days, and before CRU term ends. See att.com/equipmentETF for details on what fee may apply for your device and how the fee is prorated over time. Activation/upgrade fee per line (up to $45) and deposit may apply. Credit approval may be required. AT&T reserves the right to suspend or terminate service to your account, place any non-complying device on an appropriate plan, and/or add any other required element of a plan. Other Monthly Charges: Apply per line and may include taxes, federal/state universal service charges, Regulatory Cost Recovery Charge (up to $1.25), gross receipts surcharge, Administrative Fee, and other government assessments (including without limitation a Property Tax Allocations surcharge of $0.20 – $0.45 applied per CRU’s assigned number), which are not government-required charges. Pricing, promotions, restrictions and terms subject to change and may be modified, discontinued, or terminated at any time without notice. Coverage: Coverage map shows high level approximation of areas included in and out of plan. For the most current coverage info for your area, check wireless.att.com/coverageviewer. Coverage may include areas that are served by unaffiliated carriers and not on AT&T’s owned and operated network (off-net). Arrangements with these carriers may change from time to time, and coverage is subject to change without notice. Service is intended for use primarily within the DCA.
