

# Convenient shopping and billing enhancements

## Premier

Release Notes

November 2017

# Overview

Company and billing administrators and Corporate Responsibility Users (CRUs) with permissions can enjoy the convenience of the latest Premier enhancements.

## Premier Online Store

- View and retain your Phones & Devices page and Accessory page filter choices during your shopping session.
- Include accessories for different device types in the same order.
- See your savings and applicable discounted pricing on pages showing phones and devices.

## Premier Online Care

Quickly go to the bill summary page in eBill by clicking the **View or Pay Bill** button on your Premier homepage.

## eBill for Premier

Easily view your bill or go to the Payment page in one click from the account summary page in eBill.

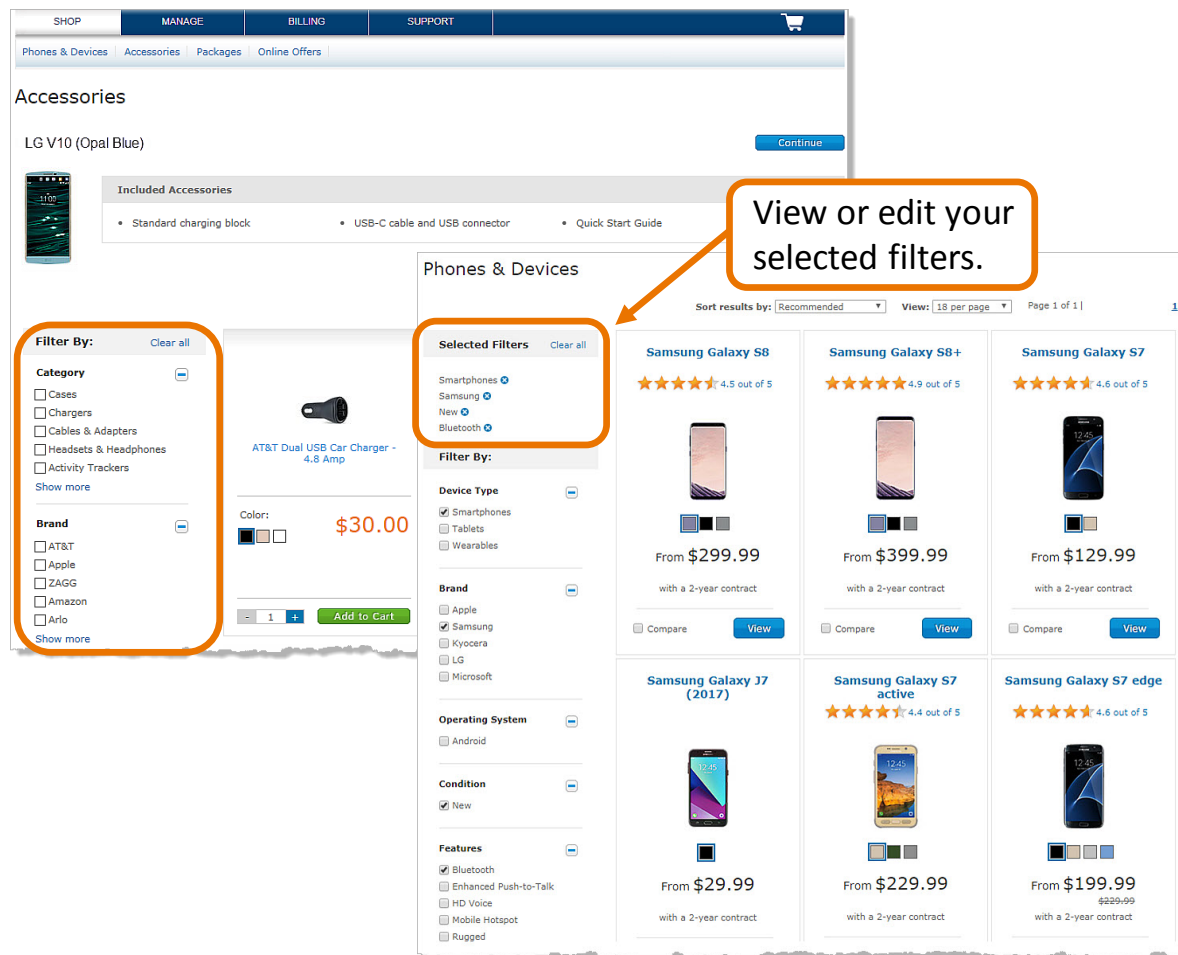

# View and modify filters during your shopping session

Clearly see the sequence of filters you chose.

On the Phones & Devices and Accessories pages, the filters you chose appear in order in the Selected Filter section. Filters remain selected as you navigate between the list and product details pages.

Easily modify your filters:

- To clear a filter option, click the related **X**.
- To delete all of your filters, click **Clear all**.

Images provided in this presentation are for illustrative purposes only.

# One-click access to see the account summary page

The screenshot shows the AT&T Premier account management interface. At the top, there are navigation tabs: SHOP, MANAGE, BILLING, and SUPPORT. Below these are sub-tabs: Account Management, Plans & Features, Transaction History, Reports, Settings, and Profiles & Permissions. A search bar is present with fields for 'I want to:' (set to 'View account and usage'), 'Lookup type:' (set to 'Wireless number'), and 'Search for:'. A 'Go' button is next to the search bar. To the right, account details are shown: Foundation account: FANsample1, Billing account: 111111110, and Wireless number: None. The main content area is titled 'Welcome, Jane' and contains several sections: 'Account Information' with a 'Browse Accounts' link, 'Alerts' showing 4 usage alerts, 'Messages' with a 'View 2 Messages' link, 'Order Status' with a search field and 'Go' button, and 'Pending Approval' with 0 orders, 0 requests, and 0 login registrations. A callout box with an orange border and arrow points to the 'View or Pay Bill' button in the Account Information section, containing the text 'One-click access to the account summary page.'

## Quick, easy access

You now have one-click access to the applicable account summary page from the Premier homepage.

Depending on your role, you can access the foundation, billing, or wireless user account summary page by clicking **View or Pay Bill**. The related summary page opens.

# Faster view- or pay-bill access

## One click to view your bill or navigate to the payment page

Customers with Reporting and Fulfillment Foundation Account types can quickly view a bill or navigate to the payment page from the account summary page in eBill for Premier.

- To review the associated bill, click **View bill (PDF)**.
- To make a payment on the account, click **Pay bill**.

Customers with Billing Foundation Account types, will not see a Pay button but can print their Remittance Form to pay offline.
