What you get with Mobile Share Advantage plans for business

Worry free data
No overage charges if you exceed your highspeed data allotments.* Truly sharable data for your entire group – use your data for up to 10 or 25 phones, tablets and other devices, depending on the plan you select. (After use of all high-speed data amounts, reduced speeds apply.)

Rollover Data – the plan data you don’t use this month rolls over for use in the next month. (Rollover Data expires after one month or with any plan change and is consumed after your plan data.)

Stream Saver allows video to stream at quality similar to DVD (about 480p), so you can enjoy more of what you love on your smartphone or tablet. AT&T will activate the feature for you and you may turn it off and back on at any time. Check your account online to see if the feature is active. (Ability to stream & video resolution vary. Restrictions apply.)

Unlimited talk & text
Unlimited number of domestic calls and texts.

International perks
Unlimited texting from the U.S. to over 120 countries on all plans. Plus on 10GB plans or higher:
• Unlimited talk from the U.S. to Mexico & Canada
• No roaming charges for plan voice, text and data use while in Mexico (Compatible device req’d. Restrictions apply.)

See back for more plan details.
Optional Data Packs are now available for Mobile Share Advantage plans for business!

Whether you anticipate needing more data in a particular month or your data speeds have been slowed because you exceeded your monthly plan data, you now have the flexibility to purchase optional Data Packs that provide an additional high-speed data allotment for use that month.*

**Note:** These plans are retired. Customers with AT&T Mobile Share Advantage plans for business may add or cancel lines. Customers seeking to make any other changes must choose another plan from AT&T's current wireless plans. Mobile Share Advantage & Mobile Share Advantage FOR BUSINESS: Plans are for service only and include monthly plan charge for unlimited talk, text and data per device monthly access charges for access to such services. Eligibility: Mobile Share Advantage Plans—available to customers (including individual Responsibility Users) and to business customers with a qualified wireless service agreement (including without limitation the Additional Service and Equipment Related Terms found at att.com/also-additional-terms (the “Business Agreement”)). Plans shown are currently available. Other plans may have been retired. If on a retired plan, you may upgrade or add or remove lines. If you wish to make any monthly plan data increase, you must pick from a currently available plan. Mobile Share Advantage for Business Plans—available only to business customers with a qualified Business Agreement and only for Corporate Responsibility Users of service. Device Limits: 10 per plan on Mobile Share Advantage, 25 per plan on Mobile Share Advantage for Business. Monthly Device Access Charges: For Mobile Share Advantage plans—the standard $40 device access charge for smartphones is discounted by $20 per month for smartphones purchased on an installment plan, purchased at full price, bring your own or on a month-to-month term commitment, for Mobile Share Advantage for Business plans—the standard $40 device access charge for smartphones is discounted by $25 per month for smartphones purchased on an installment plan, purchased at full price, bring your own or on a month-to-month term commitment or $5 per month for smartphones purchased with a 2-year service commitment. Data access charge will appear on your next bill. For use in the United States, Puerto Rico and the U.S. Virgin Islands (the “Domestic Coverage Area” or “DCA”) only. Off-net (roaming) data usage may be at $20 per GB. 10GB & higher plans also include data usage in Mexico. Plans also include usage in Canada for select connected vehicles. Additional or promotional data may not be available for use outside the DCA. Rollover Charges and Data Speeds: No charge for overage. However, after all your high-speed data allotments are used, all data usage is slowed to a max of 128 Kbps for the rest of the bill cycle. During that period, you will have basic data use for viewing a web page or checking email. Audio and video streaming, apps and services, picture and video messaging, as well as other data usage, including usage of data that is sponsored, will be impacted and may not be fully functional. See att.com/broadbandinfo for more information about AT&T’s network management practices. Video Streaming: Includes the Stream Saver feature which allows you to save data on content it recognizes as video by streaming higher definition video in Standard Definition quality (about 480p) on compatible devices (unless the video provider has opted out). AT&T will activate the feature for you. Check your account online to see if the feature is active. Once active, you can turn it off or back on at any time online at att.com/premiere. Stream Saver will not recognize all video content. Ability to stream and video resolution may vary, and is affected by other factors. Restrictions apply. See att.com/streamserver for more details. Tethering and Mobile Hotspot: Use for up to five (5) simultaneous devices. Tethering requires compatible device. Restrict Usage: Authorized users on the account may temporarily suspend data access for each device on the plan. Data access will be restored at the beginning of the next billing cycle. Monthly charges continue to apply. Rollover Data: Unused data from the monthly plan allowance rounds up to the nearest MB and carries over for one billing period. Rollover Data automatically expires after one billing period or if any plan change (such as changing data plans or termination) is made. Data Packs are not transferable to other plans or accounts. UNLIMITED TALK: For phones only. Includes unlimited minutes of service to the DCA (10GB & higher plans also include calls within Mexico). Service may be terminated for excessive roaming (see Business Agreement). Rollover Data: Not available on the DCA. UNLIMITED TEXT: Unlimited text messaging up to 1MB in size for use within the DCA and for 10GB and higher plans within Mexico to more than 190 countries for text messages and 120 countries for picture and video messages. AT&T may add, change, and remove excluded countries at its discretion without notice. Messages sent through applications may incur data or other charges. Visit att.com/text2world for details. Messaging – Advanced Messaging: For customers with Advanced Messaging capable devices only. Both sender and recipient(s) must be AT&T postpaid wireless customers with HD voice accounts, and both must have their devices turned on and be within AT&T’s owned and operated DCA only. Third-party apps and services (including without limitation a Property Tax Allotment surcharge of $0.20 – $0.45 applied per CRU’s assigned number) which are not government-required charges. © 2019 AT&T Intellectual Property. **General:**

**Wireless Internet:** AT&T Wireless Internet is a wireless voice service (Commercial Mobile Radio Service or CMRS) & mobile broadband internet service. Messaging excluded. For emergencies, dial location to 911 operator. Devices have backup battery but landline equip. with separate power will not place/receive calls (including 911) during outage. Not compatible with landline dependent services like medical alert monitoring systems. Other compatibility limitations apply. For AT&T Wireless Internet details, visit att.com/wirelessinternet. Wireless Home Phone and Internet (“WHPI”): is a CMRS & mobile broadband Internet access service. Plan 10GB or higher required. WHPI & WHPI General: Messaging excluded. For emergency calls, provide location to 911 operator. Devices have backup battery but landline equipment with separate power will not place/receive calls (including 911) during outage. Not compatible with landline dependent services like medical alert monitoring systems. Other compatibility limitations apply. For WHPI details, visit att.com/getwirelesshomephone and att.com/getwirelesshome for WHPI details. Connected Devices: Includes eligible connected vehicles, wearable, cases, connected wearable and other select devices. Termination of Connected Vehicle Service for CRU Lines: Service will be provided to each connected vehicle until such time as: (a) Customer terminates the service for the vehicle; (b) ownership of the vehicle is transferred to a third party and the third party or the vehicle’s manufacturer requests to establish service for a new vehicle; or (c) AT&T terminates service by exercising its rights set forth elsewhere in this Agreement. AT&T shall provide notice to Customer of termination of service to any vehicle within 24 hours of termination of service. Customer shall have the responsibility of promptly terminating service on any vehicle for which it transfers title and Customer shall bear all costs for the service until such time as service is terminated pursuant to this Section. Transfer of ownership shall be deemed to occur in any way of the customary ways such transactions are conducted in the place where the vehicle is located, including, but not limited to, transfer of title of the vehicle to a third party. Customer acknowledges and agrees that: (a) AT&T shall have no obligation whatsoever to determine the facts or circumstances pertaining to any transfer of ownership for any vehicle; (b) AT&T may rely upon the request of a third party or the manufacturer of a vehicle as a basis to terminate service for that vehicle; and (c) Customer shall hold harmless, and not assert any claims against, AT&T, for any consequence of any vehicle to which this service is provided. Connected Wearables: A wireless device designed to be worn that is capable of making/receiving calls without being connected to another wireless device. For a list of devices visit at.com/wearableslist. Prices are for service only and include monthly plan charge for unlimited talk, text and data & per device monthly access charges for access to such services.
