*Overage charges & data speeds: There are no overage charges. A  er all of your high-speed data allotments are used (including any optional Data Packs), all data usage is slowed to a max of 128 Kbps (2G speed) for the rest of the bill cycle. Audio and video streaming, picture and video messaging and other data usage, including sponsored data, will be impacted and may not be fully functional. See att.com/broadbandinfo for AT&T’s network management practices.

What you get with Mobile Share Advantage plans for business

Worry free data

No overage charges if you exceed your high-speed data allotments.* Truly sharable data for your entire group – use your data for up to 10 or 25 phones, tablets and other devices, depending on the plan you select.

After use of all high-speed data amounts, reduced speeds apply.

Rollover Data – the plan data you don’t use this month rolls over for use in the next month.

Stream Saver allows video to stream at quality similar to DVD (about 480p), so you can enjoy more of what you love on your smartphone or tablet. AT&T will activate the feature for you and you may turn it off and back on at any time. Check your account online to see if the feature is active.
