What you get with Mobile Share Flex for Business

Worry free data

No overage charges if you exceed your high-speed data allotments.* Truly sharable data for your entire group – use your data for up to 10 or 25 phones, tablets and other devices, depending on the plan you select.

(After use of all high-speed data amounts, reduced speeds apply.)

Rollover Data – the plan data you don’t use this month rolls over for use in the next month.

(Rollover Data expires after one month or with any plan change and is consumed after your plan data.)

Stream Saver allows video to stream at quality similar to DVD (about 480p), so you can enjoy more of what you love on your smartphone or tablet. AT&T will activate the feature for you and you may turn it off and back on at any time.

(Ability to stream & video resolution vary. Restrictions apply.)

Unlimited talk & text

Unlimited number of domestic calls and texts.

International perks

Unlimited texting from the U.S. to over 120 countries on all plans.

Plus on 10GB plans or higher:
- Unlimited talk from the U.S. to Mexico & Canada
- No roaming charges for plan voice, text and data use while in Mexico (Compatible device req’d. Restrictions apply)

---

See back for more plan details.

---

* Overage charges & data speeds: There are no overage charges. After all of your high-speed data allotments are used (including any optional Data Packs), all data usage is slowed to a max of 128 Kbps (2G speed) for the rest of the bill cycle. Audio and video streaming, picture and video messaging and other data usage, including sponsored data, will be impacted and may not be fully functional. See att.com/broadbandinfo for AT&T’s network management practices.

** Up to 10 devices on plans with 20GB or less; up to 25 devices on plans with 30GB or more.

*** Pay full monthly plan charge ($40 to $610) until discount starts within 2 bills. Required monthly per device access charges are separate and additional.

Stream Saver does not affect other data usage, including usage of data that is sponsored, will be impacted and may not be fully functional.

The term "PRN" is defined by AT&T and may include content from a PRN partner. AT&T reserves the right to suspend or terminate service to your account, place any non-complying device on an appropriate plan, and/or add any other required element of service for the vehicle; (b) ownership of the vehicle is transferred to a third party and the third party or the vehicle's manufacturer requests establishment service for the vehicle; (c) AT&T terminates service by exercising its rights set forth elsewhere in this Agreement.

Optional Data Packs are now available for use in the DCA and/or Mexico, depending on your selected plan. Data Pack allotments are used prior to any available monthly plan data allotment and any Rollover Data. Limit of two (2) Data Packs per customer per month. Data Packs do not roll over and must be used within the bill period provided or are forfeited. Data Packs may not be transferred to other accounts or plans. UNLIMITED TALK: For phones only. Includes unlimited calls within the DCA (10GB & higher plans also include calls within Mexico). Service may be terminated for excessive roaming (see Business Agreement). Unlimited Talk to Canada and Mexico: Includes eligible connected vehicles, wearables, cases, and other select devices. Termination of Connected Vehicle Service for CRU Lines: Service shall be provided to each connected vehicle until such time as: (a) Customer terminates the service for the vehicle; (b) ownership of the vehicle is transferred to a third party and the third party or the vehicle's manufacturer requests establishment service for the vehicle; or (c) AT&T terminates service by exercising its rights set forth elsewhere in this Agreement.

Termination of Connected Vehicle Service for CRU Lines: Service shall be provided to each connected vehicle until such time as: (a) Customer terminates the service for the vehicle; (b) ownership of the vehicle is transferred to a third party and the third party or the vehicle's manufacturer requests establishment service for the vehicle; or (c) AT&T terminates service by exercising its rights set forth elsewhere in this Agreement. AT&T shall provide notice to Customer of termination of service for any vehicle to which service was provided. Customer shall have the responsibility of promptly terminating service on any vehicle for which transfer title and Customer shall bear all costs for the service until such time as service is terminated pursuant to this Section. Transfer of ownership shall be deemed to occur in any way of the customary ways such transactions are conducted in the place where the vehicle is located, including, but not limited to, transfer of title for the vehicle to a third party. Customer acknowledges and agrees that: (a) AT&T shall have no obligation whatsoever to determine the facts or circumstances pertaining to any transfer of ownership for any vehicle; (b) AT&T may reasonably rely upon the request of a third party or the manufacturer of a vehicle as a basis to terminate service for that vehicle; and (c) Customer shall hold harmless, and not assert any claims against, AT&T regarding any conveyance of any vehicle to which service is provided. Connected Wearables: are wireless phones designed to be worn that are capable of making/receiving calls without being connected to another wireless network.

Excessive Off -Net Usage: For phones only. Includes unlimited calls within the DCA, and/or Mexico to countries other than Canada and Mexico only. You may be charged for calls to special or premium service numbers. Calls to Other Countries: Select plans also allow calling from the DCA and/or Mexico to countries other than Canada and Mexico only. You may be charged for calls to special or premium service numbers.

In the DCA and/or Mexico, you may change your high-speed data allotment for use per month that.*
