Business Pooled Nation Plans

Team savings.

AT&T Business Pooled Nation plans give your business the flexibility to use all your wireless minutes in whatever way works best each month, for each wireless user. Anytime Minutes are added to a common pool each month, and plan members simply share from that pool. Light users and heavy users will balance each other out. It is a smart way to control costs. And the normal service discount on your company's business agreement will apply to the pooled plans as well.*

Business Pooled Nation Plans

Coverage Map

Coverage map shows high-level approximation of areas included in and out of plan. For the most current coverage info for your area, check att.com/coverageviewer. Coverage may include areas served by unaffiliated carriers. Arrangements with these carriers may change from time to time, and coverage is subject to change without notice. Service is intended for use primarily within the United States, Puerto Rico, and U.S. Virgin Islands (Domestic Coverage Area).
Voice Plans: AT&T Business Pooled Nation Plan provides voice service for use in your Domestic Coverage Area. Messaging: Text, picture, video and instant messages must be sent to and/or received from within the Domestic Coverage Area. Mobile to Any Mobile calling applies to direct calls to and from U.S. mobile numbers only. Messaging Pay-per-use Charges: If you do not select a messaging plan, the following charges apply: text messages – 20¢ per message; picture/video messages – 30¢ per message.

IMPORTANT INFORMATION: Plans: Available only to business/government customers with a qualified AT&T wireless service agreement (“Business Agreement”) and only for their Corporate Responsibility User (“CRU”) lines of service. For terms and conditions of service, see the Business Agreement, including without limitation, the “Enterprise Customers: Additional Service and Equipment Related Terms” found at att.com/abs-addtl-terms. All prices are billed monthly and are valid for use in the Domestic Coverage Area. Pooling Minutes: CRU lines activated on separate Business Pooled Nation Plans aggregate or “pool” their Anytime Minutes in a single account (a “Pool”). Every billing cycle, each CRU first uses his or her Anytime Minutes. If a CRU does not use all his or her Anytime Minutes, it creates an underage in the amount of unused Anytime Minutes (“Under Minutes”). If a CRU uses more than his or her Anytime Minutes, it creates an overage with respect to Anytime Minutes (“Over Minutes”). The Pool’s Under Minutes and Over Minutes are then aggregated respectively and compared. If the aggregate Under Minutes exceeds the aggregate Over Minutes, then no CRU in the Pool pays Additional Minute charges. If the aggregate Over Minutes exceeds the aggregate Under Minutes, then the ratio of Under Minutes to Over Minutes is applied to the Anytime Minutes of each CRU in the Pool with Overage Minutes, resulting in a monetary credit against the corresponding Additional Minute charges. For example, if a Pool has 900 Under Minutes and 1000 Over Minutes (90%), then each CRU with Over Minutes will receive a credit equal to 90% of his or her Additional Minute charges. CRUs changing price points or migrating to Pooled Plans during a bill cycle may result in one-time prorations or other minor impacts to the credit calculation. Customer may have more than one Pool; however an individual CRU can only be in one Pool at a time. AT&T reserves the right to limit the number of CRUs in a Pool due to business needs and system limitations. CRUs on Business Pooled Nation Plans on prior versions of AT&T’s wireless pooled plans, including but not limited to Business National Pooled Plans and Business Local Pooled Plans, cannot be in the same Pool. CRUs on non-pooling wireless plans from AT&T may be included in the same account as CRUs on the Business Pooled Nation Plans; however, these non-pooling end users will not receive the pooling benefits or contribute Anytime Minutes to the Pool. Mobile-to-Mobile Minutes, Night & Weekend Minutes and/or any other promotional minutes are not included in a Pool. Consolidated invoicing required. General Wireless Service Terms: Subject to Business Agreement. Service is not for resale. If AT&T determines your use of the services violates any of the applicable terms or polices found in the Business Agreement, we may in our sole discretion suspend, modify, terminate, or restrict your service. If you purchased a CRU device that requires a term commitment, an Early Termination Fee applies if you cancel service after the first 30 days, and before your term ends. Visit att.com/equipmentetf for details on what fee may apply for your device and how the fee is prorated over time. Activation/upgrade fee per line (up to $45) and deposit may apply. A fee may be charged if convert from a prepaid or session-based plan or when activate an additional device. Credit approval may be required. AT&T reserves the right to suspend or terminate service to your account, place any non-complying device on an appropriate rate plan, and/or add any other required element of a plan. International: Your service may be provisioned with access to international roaming and international long distance automatically once you meet our eligibility requirements. International roaming: pay-per-use rates apply if CRUs talk, text or use data while outside of the Domestic Coverage Area without a rate plan or travel package that includes that international service. International talk, text and data rates vary, are subject to change and can be seen at att.com/passport. International long distance: pay-per-use rates apply if CRUs talk with or text someone outside the Domestic Coverage Area without a rate plan or travel package that includes international service. International long distance talk and text rates vary by country, are subject to change and can be seen at att.com/wcv. Other Monthly Charges: Apply per line and may include taxes, federal/state universal service charges, a Regulatory Cost Recovery Charge (up to $1.25), a gross receipts surcharge, an Administrative Fee, and other government assessments (including without limitation a Property Tax Allotment surcharge of $0.20 – $0.45 applied per CRU’s assigned number), which are not government-required charges. Pricing, fees, promotions, options, restrictions and terms subject to change and may be modified, discontinued, or terminated at any time without notice. Other restrictions apply and may result in service termination. All other marks contained herein are the property of their respective owners.
