FirstNet Mobile – Responder & FirstNet Mobile – Responder Unlimited Plans
Exclusively for qualified Subscriber Paid Users of eligible Public Safety Entities
Get unlimited talk & text plus a monthly data allowance or unlimited data

All FirstNet Mobile – Responder & FirstNet Mobile – Responder Unlimited plans include:

- No data roaming charges in the Pacific Territories¹, Canada and Mexico
- AT&T Dynamic Traffic Management – Public Safety, a feature that enables (a) priority access to the domestic AT&T 4G LTE network; (b) the ability to preempt lower priority users’ use of the domestic AT&T 4G LTE network; and (c) prioritized treatment of select data traffic transmitted over the domestic AT&T 4G LTE network. Preemption and prioritization are subject to restrictions established for and by your Public Safety Entity.²

FirstNet Mobile – Responder plans for phones & FirstNet Mobile – Responder Unlimited plans for smartphones also include:

- Unlimited Talk & Text within the United States, Puerto Rico, the U.S. Virgin Islands, the Pacific Territories, Canada and Mexico
- Unlimited Talk from the United States, Puerto Rico and U.S. Virgin Islands to the Pacific Territories¹, Canada & Mexico³

¹American Samoa, Guam and the Northern Mariana Islands.
²AT&T Dynamic Traffic Management – Public Safety is intended for emergency response purposes only. AT&T Dynamic Traffic Management – Public Safety usage on the FirstNet Mobile – Responder Unlimited plans is limited to 22GB per month for three consecutive months. If you exceed this usage limitation, AT&T reserves the right to move you to a FirstNet Mobile – Responder plan and bill you the appropriate monthly fees. AT&T will notify you of any such plan change.
³Pay-per-use rates apply to calls made to all other countries.

¹Your Public Safety Entity may have negotiated discounts to the pricing shown in the table. If available, the discount will appear as a monthly credit on your bill.
²Each qualified Subscriber Paid User is limited to one FirstNet Mobile – Responder Plan or one FirstNet Mobile – Responder Unlimited Plan. If it is determined that you are not a valid Subscriber Paid User or you have more than one plan, AT&T reserves the right to switch you to another plan for which you qualify and bill you the appropriate monthly fees.
FIRSTNET MOBILE – RESPONDER PLANS: Pricing: The monthly service charge for plans that are purchased with a qualified installment agreement, purchased at full price, bring your own, or on a month-to-month term is discounted by $20 per month as compared to the monthly service charge of plans for smartphones on a 2-year agreement. The plan discount will appear as a credit on your bill. Data Coverage: If you exceed the total amount of data in your plan during your billing period, a pay-per-use rate of $0.0000093586 per kilobyte (“KB”) will apply. 1,024 KB = 1 megabyte (“MB”); 1,048,576 KB = 1 gigabyte (“GB”).

FIRSTNET MOBILE – RESPONSE UNLIMITED PLANS: Restrictions: Your usage of AT&T Dynamic Traffic Management – Public Safety may not exceed 22GB per month for 3 consecutive months. AT&T reserves the right to move you to a FirstNet Mobile – Response plan if your usage exceeds this limitation. Exclusions: FirstNet Mobile – Response Unlimited plans (with or without tethering) may not be used with any device or equipment that is intended to, or is used to, establish a continuous, unattended connection to the AT&T network, including, but not limited to, automatic data feeds, mobile video transmissions, and automated machine-to-machine connections.

Both Plans: Eligibility: Plans are intended for emergency response purposes and, as such, are available only to eligible individuals affiliated with a qualified Public Safety Plan that has a valid agreement with AT&T for the FirstNet Solution (“Qualified Agreement”). Eligible individuals must be verified and approved by the Primary User Public Safety Entity as being either (a) employees of the Primary User Public Safety Entity, or (b) active, auxiliary personnel who are affiliated with and provide services or perform functions on an occasional volunteer basis in the areas of law enforcement, fire protection or emergency medical services for the Primary User Public Safety Entity (collectively, “Subscriber Paid Users”). Subscriber Paid Users must subscribe to service under an AT&T Wireless Customer Agreement with a separate FirstNet-related account for which the qualified Subscriber Paid User is personally liable. If it is determined that you are not a valid Subscriber Paid User, AT&T reserves the right to switch you to an AT&T consumer plan for which you qualify (which will require a new billing account) and bill you the appropriate monthly fees. Plan Limits: One (1) FirstNet Mobile plan per qualified Subscriber Paid User. If it is determined that you have more than one FirstNet Mobile plan, AT&T reserves the right to switch each excess FirstNet Mobile line of service to an AT&T consumer plan for which you qualify (which will require a new billing account) and bill you the appropriate monthly fees. Pricing: Prices are for service only. Devices: Limit 1 per plan (sold separately). DATA: For use in the United States, Puerto Rico and U.S. Virgin Islands (the “Domestic Coverage Area”). Plans also include data usage in American Samoa, Guam and the Northern Mariana Islands (“Pacific Territories”), Canada and Mexico. Additional or promotional data may not be available for use outside the Domestic Coverage Area. UNLIMITED TALK: For phones only. Includes unlimited calls within the Domestic Coverage Area, the Pacific Territories, Canada and Mexico. Unlimited Talk to Pacific Territories, Canada and Mexico: For phones only. Includes unlimited International Long Distance calling from the Domestic Coverage Area to the Pacific Territories, Canada and Mexico only. Customer may be charged for calls to special or premium service numbers. Calls to Other Countries: Plans for phones also include International Long Distance calling from the Domestic Coverage Area, the Pacific Territories, Canada and Mexico to countries other than Canada & Mexico. Per minute pay-per-use rates apply unless an International Long Distance service package is added to the line placing such calls. Rates subject to change without notice. For rates, see att.com/worldconnect. UNLIMITED TEXT: Standard Messaging – For phones only. Includes unlimited number of messages up to 1MB in size within and from the Domestic Coverage Area, the Pacific Territories, Canada and Mexico to more than 190 countries for text messages and 120 countries for picture and video messages. AT&T may add, change, and remove included countries at discretion without notice. Messages sent through applications may incur data or other charges. Visit att.com/text2world for details. Advanced Messaging – For customers with Advanced Messaging capable devices only. Both sender and recipient(s) must be AT&T postpaid wireless customers with HD Voice accounts, and both must have their advanced messaging capable devices turned on and be within AT&T’s and operator domestic coverage area (third party coverage and use in Canada and Mexico are excluded). Includes unlimited number of messages up to 10MB in size. Additional restrictions apply and can be found at att.com/advancedmessaging. AT&T DYNAMIC TRAFFIC MANAGEMENT – PUBLIC SAFETY: Feature provides prioritization of data, priority access to available network resources, and preemption capability. Requirements: You must have a qualified FirstNet Mobile plan and a 4G LTE-capable device provisioned with an Approved Application. Pricing: $0/mo. ($15/mo. charge per line is credited back each month for a net price of $0/mo.). Charge is not prorated. Data Prioritization Usage Limitation: For FirstNet Mobile – Responders Unlimited plans, as set forth above. Approved Applications: Approved Applications are limited to applications directly related to the primary missions of Public Safety Entities and exclude such applications as mobile video transmission applications and applications that transmit data to and from the Internet. AT&T reserves the right to review applications used with feature. Limitations: Feature is available only in the Domestic Coverage Area and only for your Approved Application data traffic originated on and traversing over the AT&T-owned domestic 4G LTE network. Feature may not be used for Internet traffic other than your Approved Application data traffic. Data Prioritization: Feature does not prioritize your Approved Application data traffic ahead of all other data traffic. Priority Access: Feature provides priority access to available AT&T 4G LTE network resources. Preemption Capability: In conjunction with priority access, grants you the ability to remove or reassign active sessions from other lower priority users’ use of the AT&T-owned domestic 4G LTE network when network resources are scarce or occupied. Preemption capability is provisioned as a standard feature of Subscriber Paid Users’ network profile. Available network resources may vary by circumstances and network demands. Termination or Suspension: AT&T reserves the right to terminate, suspend or restrict the feature if your use is inconsistent with applicable terms and conditions; the Qualified Agreement; or your Wireless Customer Agreement. Qualified Agreement Discounts: If your Primary User Public Safety Entity has authorized discounts to be available on your FirstNet Mobile plan, the discount will appear as a monthly credit on your bill. Any such discounts are subject to the Qualified Agreement and may be changed or discontinued at any time.

GENERAL WIRELESS SERVICE TERMS: Subject to Wireless Customer Agreement found at att.com/wca. Service is not for resale. If AT&T does not enforce any of the terms or restrictions of its service offerings, it is not a waiver of AT&T’s right to enforce those terms or restrictions. AT&T reserves the right to enforce all terms & restrictions at any time. If AT&T determines your use of the services violates any of the applicable terms or policies found in the Wireless Customer Agreement, we may in our sole discretion suspend, modify, terminate or restrict your service. Network Management: All AT&T service is subject to AT&T network management policies. See att.com/broadbandinfo for details. Excessive Off-Net Usage: You get an off-net (roaming) usage allowance for each service. If you exceed the allowance, your service(s) may be restricted or terminated. Other restrictions apply & may result in service termination. If you purchased a device that requires a term commitment, an Early Termination Fee applies if you cancel service after the first 14 days and before your term ends. See att.com/equipmentETF for details on what fee may apply for your device & how the fee is prorated over time. Activation/upgrade Fee per line (up to $45) & deposit may apply. Credit approval may be required. Line and purchase limits apply. AT&T reserves the right to suspend or terminate service to your account, place any non-complying device on an appropriate plan, and/or add any other required element of a plan. Other Monthly Charges: Apply per line & may include taxes, federal/state universal service charges, a Regulatory Cost Recovery Charge (up to $1.25), a gross receipts surcharge, an Administrative Fee, & other governmental assessments which are not government-required charges. See att.com/additionalcharges for more details on other charges. Pricing, promotions, restrictions, terms & conditions subject to change & may be modified, discontinued or terminated at any time without notice. Coverage: Coverage map shows high level approximation of areas included in and out of plan. For the most current coverage info for your area, check wireless.att.com/coverageviewer. Coverage may include areas served by unaffiliated carriers & not on AT&T’s owned and operated network (off-net). Arrangements with these carriers may change from time to time, and coverage is subject to change without notice. Service is intended for use primarily within the Domestic Coverage Area. For full service terms and conditions, visit att.com/wirelessterms.
