Take your business – and your business unlimited plan – to new heights. **AT&T Business UnlimitedSM Preferred** includes AT&T Business Fast Track, a feature that prioritizes your eligible business data originating on and traversing over the AT&T-owned domestic 4G LTE network, offering you a truly dynamic network experience.*

And the plan includes AT&T ActiveArmorSM mobile security, which includes Spam Risk and Auto Fraud Call Blocking.** Get it all with our **AT&T Business Unlimited Preferred plan**.

AT&T Business Unlimited Enhanced with Private Wi-Fi plans feature:

- Unlimited domestic data, talk and text on up to 10 eligible devices – no overage charges
- 5G/5G+ access¹
- Unlimited talk and text to Canada and Mexico²
- No roaming charges in Canada and Mexico³
- 100GB tethering/mobile hotspot usage per line – after 100GB, tethering/hotspot speed is capped at 128Kbps.
- High-Definition or 4K UHD video streaming (if available)⁴
- AutoPay discounts – \$10/mo. for a single line plan and \$20/mo. for a multi-line plan⁵

* Compatible device required. Feature does not prioritize your eligible data traffic ahead of all other data traffic, as other data traffic may receive a similar or higher quality of service. Other restr's apply.

** Compatible device/service required. Requires download of ActiveArmor App and acceptance of terms of service. Visit att.com/activearmorapp for details. May inadvertently block wanted calls; settings can be adjusted in the app. Some mobile security features are not available while roaming internationally; see att.com/activearmorseula.

¹ Requires compatible 5G/5G+ device/plan. May not be available in your area. 5G+ is avail. only in limited parts of select cities. See att.com/5Gforyou for cities. Other restr's apply.

² Compatible device required. Pay-per-use rates apply to calls made to other countries.

³ Compatible device required. Roaming usage may be at 2G speeds. Additional restr's apply.

⁴ Access High Definition (about 1080p) and 4K UHD (about 2160p) video streaming if and when each are available. Requires eligible hardware and video source. Ability to stream and video resolution may vary and be affected by other factors. Other restr's apply.

⁵ Must be active and enrolled in AT&T AutoPay. Discount starts in 1 to 2 bill cycles.

AT&T Business Fast Track

Feature assigns a higher priority to your eligible business data originating on and traversing the AT&T-owned domestic 4G LTE network during times of congestion.*

- Always-on feature – no action required by the user*
- Enables more predictable wireless application performance
- Can be used with a variety of business solutions including:
 - AT&T Enhanced Push-to-Talk
 - AT&T Workforce Management

* Req's a compatible device. Does not prioritize data traffic ahead of all other data traffic (which may receive a similar or higher priority level) or provide priority network access or preemption capabilities. Other restr's apply.

Access to 5G/5G+**

Plan includes access to AT&T 5G and 5G+ services for compatible devices.

** May not be available in your area. See att.com/5Gforyou for details. 5G+ is avail. only in limited parts of select cities. Other restr's apply.

Private Wi-Fi

Connect smartphones to unencrypted public Wi-Fi with greater confidence, with two security features available through the Private Wi-Fi app.***

- Private Wi-Fi VPN transforms open Wi-Fi from unencrypted to encrypted by automatically creating a VPN as soon as your smartphone is connected.
- Private Wi-Fi Alerts provide near real-time threat detection and alerts whenever a Wi-Fi vulnerability is detected on your smartphone, so you can disconnect to protect your business.

*** Req's a smartphone operating on a compatible iOS or Android operating system. Download of app required. Not available outside the Domestic Coverage Area. Other restr's apply.

AT&T ActiveArmorSM mobile security

Plan includes access to AT&T ActiveArmor mobile security, which includes Spam Risk and Auto Fraud Call Blocking.****

**** Compatible device/service required. Requires download of ActiveArmor App and acceptance of terms of service. Visit att.com/activearmorapp for details. May inadvertently block wanted calls; settings can be adjusted in the app. Some mobile security features are not available while roaming internationally; see att.com/activearmorseula.

Check out our other plans:

- Both plans include 5G/5G+ access for compatible devices** and access to Private Wi-Fi¹ and AT&T ActiveArmorSM mobile security¹
- Both plans enable you to take advantage of our AT&T AutoPay discounts – \$10/mo. for a single line plan and \$20/mo. for a multi-line plan²

THESE PLANS ARE RETIRED. Customers with these plans may only add new lines up to the plan's line limit. Customers seeking to make any other changes must choose another plan from AT&T's current wireless plans.

AT&T BUSINESS UNLIMITEDSM BASIC WITH PRIVATE WI-FI PLANS: DATA RESTRICTIONS: For all data usage, you may temporarily experience reduced speeds on these line(s) during times of network congestion. **VIDEO STREAMING:** Plan does not include the Video Management feature. We aim to render streaming video in standard-definition (max of 2 Mbps for customers on both 5G-enabled devices and rate plans or 1.5 Mbps for devices or plans not compatible with 5G) though some video cannot be identified. Sometimes, other content that content providers bundle with streaming video may be impacted and slowed, including downloads. In certain situations, we may deliver video content faster or at higher definition. Details at att.com/VideoFeature. **Tethering/mobile hotspot use is prohibited (except for Connected Cars).**

AT&T BUSINESS UNLIMITEDSM PLUS WITH PRIVATE WI-FI PLANS: DATA RESTRICTIONS: After 22GB of data usage on a line in a bill cycle, for the remainder of the cycle you may temporarily experience reduced speeds on that line during times of network congestion. **VIDEO STREAMING:** Plan includes the Video Management feature. We aim to render streaming video in standard-definition (max 1.5 Mbps) though some video cannot be identified. Sometimes, other content that content providers bundle with streaming video may be impacted and slowed, including downloads. In certain situations, we may deliver video content faster or at higher definition. To experience higher definition video when available, or if you have an issue, turn the feature off or back on any time at att.com/myatt or att.com/premier (as applicable). Details at att.com/VideoFeature. **TETHERING/MOBILE HOTSPOT:** Requires compatible device. Includes up to 15GB per line per month. After 15GB, tethering speed slowed to a max of 128Kbps for the rest of the bill cycle except for Connected Cars. After this, all tethering data usage will be impacted and not fully functional.

AT&T BUSINESS UNLIMITEDSM PREFERRED PLANS: Includes, for compatible devices: (a) access to AT&T 5G and 5G+ services, and (b) AT&T Business Fast Track, which prioritizes your eligible business data originating on and traversing over the AT&T-owned domestic 4G LTE network. **HD and 4K UHD VIDEO STREAMING:** Enjoy access to HD (about 1080p) and 4K UHD (about 2160p) video streaming if and when each is available. Requires eligible hardware and video source. Ability to stream and video resolution may vary, may be affected by network congestion and other factors, and is not guaranteed. Other restrictions apply. **TETHERING/MOBILE HOTSPOT:** Requires compatible device. Includes up to 100GB per line per month. After 100GB, tethering speed slowed to a max of 128Kbps for the rest of the bill cycle except for Connected Cars. After this, all tethering data usage will be impacted and not fully functional. **5G SERVICE:** Requires a compatible 5G device and plan. 5G service is not available everywhere. See att.com/5Gforyou for details. **5G+ SERVICE:** Requires a compatible 5G+ device and plan. 5G+ service is only available in very limited parts of select cities. See att.com/5Gforyou for cities. Compatible 5G+ device will display 5G+ coverage indicator when used in an area where 5G+ coverage is available. Other restrictions apply. **AT&T BUSINESS FAST TRACK:** Feature uses "always on" quality of service network technology to provide eligible CRU lines with a differentiated (i.e., enhanced versus "best effort") network experience for business data traffic originated on and traversing over the AT&T-owned domestic compatible network (i.e., excluding microcells, AT&T Wi-Fi service, and roaming partners' networks) during times of congestion. **Device Requirements:** Each line requires a compatible smartphone or tablet operating on an Android or iOS operating system; excludes BlackBerry devices. **Limitations:** AT&T Business Fast Track does not prioritize CRU's data traffic ahead of all other data traffic as other data traffic may receive a similar or higher quality of service. Feature is intended for business application data traffic. **Feature does not provide priority access to available network resources or any preemption capabilities.** **Termination or Suspension:** AT&T reserves the right to terminate, suspend or restrict the feature if use is inconsistent with its intended use or the Business Agreement.

ALL PLANS: Eligibility: Available only to business customers with a qualified wireless service agreement that includes, without limitation, the Additional Service and Equipment Related Terms found at att.com/abs-addtl-terms (Business Agreement). For Corporate Responsibility User (CRU) lines only. All plans include access to Private Wi-Fi Application (for eligible smartphone lines in DCA only). **PRICING:** Monthly plan charge for unlimited talk, text, and data and per device access charges for access to such services apply. Eligible customers can get a smartphone access charge discount, a discount for having AutoPay, and/or a multiple phone line discount. If eligible, each discount will be applied via a monthly bill credit. **Smartphone Access Charge Discount:** The standard \$60 or \$70 per month (depending on your plan) smartphone access charge is discounted by \$25 per month for each smartphone that is purchased at full price, on a qualified installment agreement, bring your own, or on a month-to-month term. You will lose any available discount if you upgrade to a new smartphone with a service commitment. **AutoPay Discount:** Monthly discount off of plan charge (\$10 off single line plans and \$20 off multi-line plans) when active and enrolled in AutoPay. Discount starts within 2 bill cycles. Pay full plan cost (up to \$119/month) plus per device access charges until discount starts. **Multiple Phone Line Discount:** For AT&T Business Unlimited Basic with Private Wi-Fi plans - monthly \$15 (3 phone lines) or \$35 (4 or more phone lines) discount applied to your multi-line plan charge. For AT&T Business Unlimited Plus with Private Wi-Fi, and AT&T Business Unlimited Preferred plans - monthly \$15 (3 phone lines), \$40 (4 phone lines) or \$35 (5 or more phone lines) discount applied to your multi-line plan charge. **OTHER RESTRICTIONS AND FEES:** Activation/upgrade fee per line (up to \$50) and deposit may apply. Credit approval may be required. If you purchased a device that requires a service commitment, an Early Termination/Cancellation Fee applies if you cancel CRU service after the first 30 days and before the service commitment ends. See att.com/equipmentETF for details on what fees applies for your device and how the fee is prorated over time. AT&T reserves the right to suspend or terminate service to your account, place any non-complying device on an appropriate plan, and/or add any other required element of a plan. **ADDITIONAL MONTHLY FEES AND TAXES:** Apply per line and include Regulatory Cost Recovery Fee (up to \$1.50), Administrative Fee (up to \$1.99), Property Tax Allotment surcharge (\$0.20-\$0.45 per CRU number) and other AT&T fees which are not government-required surcharges, as well as government taxes. Additional one-time Fees may apply. See att.com/mobilityfees for more details. **DEVICES:** Select devices only (sold separately); max. 10 devices per plan. Limit of 100 plans per billing account number. Installment plan charges and other device purchase costs are extra. A limit on the number of financed devices per wireless account may apply. **Dedicated mobile hotspot devices and select laptop air cards are not eligible for these plans.** **Connected Wearables:** NumberSync pairing with compatible smartphone (sold separately) may be required to access cellular network. For a list of connected wearables, visit att.com/wearableslist. **PRIVATE WI-FI APPLICATION (PWF App):** Requires a smartphone operating on a compatible iOS or Android operating system. CRUs must download the PWF App onto their compatible smartphones from generally available app stores, such as Apple iTunes® and Google Play®. The PWF App requires Customer and individual CRUs to accept the terms of a EULA prior to use. The terms of the EULA are located at att.com/privatewifiterms. PWF App may result in increased battery usage by your device. Certain PWF App features are available on a subscription basis only. Private Wi-Fi is provided on an "as-is" basis with no warranties, and AT&T and its suppliers make no representations of any kind, express or implied, with respect to Private Wi-Fi. **Limitations:** Available only within the United States (**Domestic Coverage Area or DCA**). **Private Wi-Fi VPN:** Private Wi-Fi VPN establishes a highly secure proxy within your smartphone to encrypt unencrypted web and application data traffic as it travels over open Wi-Fi hotspots. Private Wi-Fi VPN does not guarantee complete security for your data and may be blocked by certain video streaming apps, in which case the data will bypass or disconnect the VPN connection. To ensure the service is properly provisioned, you may be requested to enable the "Location" feature on your smartphone. You must also separately give permission to allow the Private Wi-Fi VPN connection to be established. **Wi-Fi Alerts:** Wi-Fi Alerts notifies you when a Wi-Fi network you join with your smartphone appears to be risky or under attack. Wi-Fi Alerts automatically detects when your smartphone connects to a new network and runs a series of checks on that network to help ensure that it is behaving properly. If the network is deemed risky, the PWF App will provide you with instructions detailing how to disconnect from the network. **AT&T ACTIVEARMORSM MOBILE SECURITY:** Requires compatible device and plan, download of ActiveArmor App and acceptance of terms of service (see att.com/activearmorseula). Details at att.com/activearmorapp. **Spam Risk & Auto Fraud Call Blocking:** May inadvertently block wanted calls; settings can be adjusted in the app. Some mobile security features are not available while roaming internationally. **UNLIMITED DATA:** For use in the DCA. **UNLIMITED TALK:** Phones and compatible wearables only. Includes calls w/in the DCA. **Unlimited Talk to Canada and Mexico:** Phones and compatible connected wearables only. Includes unlimited International Long Distance (ILD) calling from the DCA to Mexico and Canada only. You may be charged for calls to special or premium service numbers. **Calls to Other Countries:** Plans for phones also include ILD service that can be used to call countries other than Canada and Mexico. Per minute pay-per-use rates apply unless an ILD service package is added to the CRU line placing such calls. Rates subject to change without notice. For rates, see att.com/intcalling. **UNLIMITED TEXT:** Compatible device and rate plan required. Includes unlimited messages up to 1MB in size w/in the DCA to more than 190 countries for text messages and 120 countries for picture and video messages. AT&T may add, change, and remove included countries at its discretion w/out notice. Messages sent through applications may incur data or other charges. **MISCELLANEOUS: Business Agreement Discounts:** Plans may not be eligible for additional offers, credits or discounts described in the Business Agreement or otherwise. **Termination of Connected Car Service for CRUs:** Service will be provided to each connected vehicle until such time as: (a) Customer terminates the service for the vehicle; (b) ownership of the vehicle is transferred to a third party and the third party or the vehicle's manufacturer requests to establish service for the vehicle; or (c) AT&T terminates connected vehicle service by exercising its rights set forth elsewhere in the Business Agreement. AT&T will provide notice to Customer of termination of connected vehicle service to any vehicle within 24 hours of termination of service. Customer will have the responsibility of promptly terminating service on any vehicle for which it transfers title and

Customer will bear all costs for the service until such time as the service is terminated pursuant to this termination provision. Transfer of ownership will be deemed to occur in any of the customary ways such transactions are conducted in the place where the vehicle is located, including, but not limited to, transfer of title for the vehicle to a third party. Customer acknowledges and agrees that: (a) AT&T will have no obligation whatsoever to determine the facts or circumstances pertaining to any transfer of ownership for any vehicle; (b) AT&T may reasonably rely upon the request of a third party or the manufacturer of a vehicle as a basis to terminate service for that vehicle; and (c) Customer will hold harmless, and not assert any claims against, AT&T regarding any conveyance of any vehicle to which service is provided.

ROAM NORTH AMERICA FEATURE: Allows plan talk, text and/or data usage. For compatible phones, tablets and series 5 and higher Apple wearables only. **Data:** allows domestic plan data usage in Mexico and Canada. **Talk:** Includes calls within Mexico and Canada and from Mexico/Canada to the DCA (collectively with Mexico and Canada, the **North America Coverage Area** or **NACA**). You may be charged for calls to special or premium service numbers. Calls to other countries: International long distance pay-per-use rates apply to calls from Mexico or Canada to countries outside NACA unless you have an ILD service package. Rates subject to change w/out notice. For rates, see att.com/intlcalling. **Text: Standard Messaging** – Includes unlimited messages up to 1MB in size within Mexico/Canada and from Mexico/Canada to more than 190 countries for text messages and 120 countries for picture and video messages. AT&T may add, change, and remove included countries at its discretion without notice. Messages sent through applications may incur data or other charges. Visit att.com/text2world for details. **Advanced Messaging** – not available for use in Mexico or Canada.

All offers, promotions, pricing, terms, restrictions and conditions subject to change and may be modified, discontinued or terminated at any time without notice.

GENERAL WIRELESS SERVICE TERMS: Subject to applicable Business Agreement. Service is not for resale and is intended for use primarily within DCA. If AT&T does not enforce any of the terms or restrictions of its service offerings, it is not a waiver of the right to enforce those terms or restrictions. AT&T reserves the rights to enforce all terms and restrictions at any time. If AT&T determines your use of services violates any of the applicable terms or policies found in the applicable Business Agreement, we may in our sole discretion suspend, modify, terminate or restrict your service. **Coverage:** Coverage map shows high level approximation of areas included in and out of plan. Coverage may include areas that are served by unaffiliated carriers and not on AT&T's owned and operated network (off-net). Coverage is subject to change without notice. **Network Management:** All AT&T service is subject to AT&T network management policies. See att.com/broadbandinfo for details. **Off-Net Usage:** International and domestic off-net (roaming) data usage may be at 2G speeds. **Excessive Off-Net Usage:** You get an off-net (roaming) usage allowance for each service. If you exceed the allowance, your service(s) may be restricted or terminated.
